EDUCATION

[University Name], [City, Country]

[Year of Graduation]

Studied key areas including consumer behavior, brand strategy, market research, digital marketing, and advertising. Gained hands-on experience in campaign planning, data analysis, and content development through real-world case studies and group projects.

EXPERIENCE

[Company Name] - [City, Country]

[Start Date] - [End Date or "Present"]

Created visual content for branding, marketing campaigns, websites, and social media platforms. Collaborated with cross-functional teams to translate concepts into visually compelling designs. Developed logos, brochures, infographics, and digital ads using Adobe Photoshop, Illustrator, and InDesign.
